Panel eNews is frequently used by CCAP to alert counsel to important panel information (case law, policy changes, new procedures, etc.), and we will expect you to visit and use our site frequently. **IMPORTANT:** Do not unsubscribe from receiving panel eNews announcements. To modify other eNews you receive, please do so by modifying your registration profile on the website through the [Profile](#) link located at the bottom of our site webpages. Note: Unsubscribing by clicking on a link within a received email may inadvertently interrupt your ability to receive panel email announcements from us. If this happens, please contact CCAP resources for instructions on how to re-subscribe to receive panel eNews.

² Counsel is required to submit to the court a notice of change of email address anytime your e-service email address changes; serve CCAP and the parties. (See Cal. Rules of Court, rule 8.78(d).)
